Bilateral Meetings

- (10:00 am - 4:00 pm)

Description

AKCENTA CZ is the largest Central European payment institution. We focus on currency exchange, international payments, and hedging transactions for clients from a wide range of companies and institutions. The maximum efficiency with which we provide services to our clients allows us to offer better exchange rates and significant savings when making international payments. Other benefits appreciated by our clients include the speed of our services, our reliability, and maximum security.
