Description

Stalrent company deals with the sale and rental of steel products, chiefly sheet piles. Moreover, in our stock one can easily find cold rolled sheet piles together with piles with no interlocking, hot and cold rolled sheet piles, tubes and rods. Additionally, Stalrent is ready to provide a rich supply of the trench shoring systems, namely box systems, as well as corner slide rails and single slide rails. We possess a wide selection of sheet piles of all descriptions to suit various applications. We offer used trench shorings as well as new ones. Our company distributes several hundred of complete sets of trench protective systems (box systems) that are rented to our clients. At the same time, we are systematically increasing the size and variety of our product range. Our clients increasingly appreciate our credibility and reliability.
